### ABOUT ME

Aspiring Software Engineer with a strong foundation in React.js, frontend development, and software project management. Passionate about building user-friendly, efficient web applications, with hands-on experience in developing healthcare management systems, college websites, and landing pages. Proficient in JavaScript, React.js, Tailwind CSS, and frontend frameworks. Enthusiastic about learning new technologies and contributing to impactful projects. Seeking opportunities to apply and enhance my technical skills in a professional setting.
